OUR STORY

Where Sacred Heritage Meets Nature

In today's fast-paced world, moments of true peace are becoming increasingly rare. Divine Homestays was created to offer a sanctuary where Lord Shiva's sacred land, breathtaking nature, and heartfelt hospitality come together to rejuvenate your mind, body, and soul.

Nestled in the foothills of the majestic Brahmagiri Mountains, revered in the ancient Puranic tradition as the sacred manifestation of Lord Mahadev, our homestay stands in the divine land of Trimbakeshwar—home to one of the Twelve Jyotirlingas of Lord Shiva and the birthplace of the holy Godavari River, India's longest river.

According to the Shiva Purana, Lord Shiva manifested here as Trimbakeshwar, symbolizing His three divine aspects—Brahma (Creation), Vishnu (Preservation), and Mahesh (Transformation)—making this one of the most spiritually revered destinations for seekers and pilgrims.

Local tradition believes this region was once home to an ancient Shri Ganesh Temple and is closely associated with the Nath Sampradaya, where the great yogi Guru Gorakshanath performed years of deep meditation before continuing his spiritual journey. Inspired by this divine legacy, the Shri Ganesh Temple & Nath Sampradaya Yajna Centre continues to preserve these timeless traditions.

Surrounded by the Brahmagiri Hills to the west and south and natural water bodies to the north and east, Divine Homestays has been thoughtfully crafted using natural stone and wood, blending seamlessly with its surroundings while preserving the authentic spirit of Trimbakeshwar.

Whether you seek a spiritual pilgrimage, a peaceful family holiday, a rejuvenating weekend escape, or simply a retreat from the noise of everyday life, Divine Homestays offers more than a stay—it offers an experience rooted in faith, heritage, and nature.
